

# WEDDINGS

The Llanelly House tradition of hospitality dates back to the Elizabethan age. Today, this show-stopping venue can add prestige and sophistication to your event, as you celebrate with your guests in our beautifully restored Manor House.

Substantially re-built in 1714 for the 5th Baronet of Prendergast, Sir Thomas Stepney, Llanelly House is widely considered one of the best examples of Georgian architecture in Wales.

Our elegant interiors make this the ideal location for your wedding ceremony and function, whilst our dedicated, professional team ensures your event is as unique and special as the House.

Packages can be tailored to your requirements, including bespoke menus, designed in consultation with our Head Chef and guided tours of the property as part of your wedding day experience.

We can cater for up to 60 guests for a wedding breakfast; The Great Hall and The Best Parlour are suitable for evening celebrations of up to 90 guests.

Celebrate your special day with us and make history at Llanelly House...
